

## SPRING 2009 SAILING UPDATE

Here the sailing season is well under way, with both the Easter and Spring Cup series - and two Opens (Lasers and Larks) - a great success and already behind us. The CEYS sailors are proving a great success as well, starting to come through to Club racing and providing what we hope will be a local bedrock of regular dinghy sailing in the future.

Next is Shrimper Week, from 26th June to 1st July - already well subscribed with over ??? entries in prospect - and then it is the summer madness period otherwise known as Junior Camel Week and Camel Week!

Junior Camel Week is 1st-5th August and Camel Week 15th-20th August, and probably you know that as a member your entry fees are dramatically lower than for non-members. You may not know though that non-members can also get a discount simply by booking early, so if you have any friends at your home club who are thinking of coming, please encourage them to do so and point them at our website [www.rswsc.co.uk](http://www.rswsc.co.uk) ( looking under Sailing Notices) to get an entry form. You might choose to enter early too; it will save you having to queue.

Meantime happy sailing wherever you are, and we look forward to welcoming you soon.
